Terms Of Use

All users of this site agree that access to and use of this site is subject to the following terms and conditions and other applicable law. If you do not agree to these terms and conditions, please do not use this site.

Privacy Policy

vStream's Privacy Policy applies to use of this Site, and its terms are made a part of these Terms of Use by this reference. Additionally, by using the Site, you acknowledge and agree that Internet transmissions are never completely private or secure. You understand that any message or information you send to the Site may be read or intercepted by others, even if there is a special notice that a particular transmission is encrypted.

Ownership & Copyright

You acknowledge and agree that the Company, or its third-party licensors, own all right, title and interest in and to the Services, including all intellectual property, industrial property and proprietary rights recognised anywhere in the world at any time. The Services, including but not limited to software, content, text, photographs, images, graphics, video, 3D-rendered environments and audio included in the Services, as well as the compilation as a whole (collectively, the "Content"), are protected under copyright, trademark and other laws by Company or its third-party licensors, unless otherwise noted. You must abide by all additional copyright notices or restrictions contained in the Services or the Content.

Except the Content may not be used, displayed, copied, reproduced, distributed, republished, uploaded, downloaded, posted, transmitted, mirrored, modified, or otherwise, or in any way exploited for personal gain; you may not redistribute, sell, translate, modify, reverse-engineer or reverse-compile or decompile, disassemble or make derivative works of the Content; and you

may not make commercial use of the Content without the prior, express written permission of Company.

Copyright Permission

Permission is hereby granted for viewing the Content via the Services, subject to the terms and conditions of this Agreement. In the event that information is downloaded from the Services, the information, including any Content, data or files incorporated in or generated by the Services are owned by Company and Company retains complete title to the information and Content and all property rights therein. All other rights are reserved.

Trademarks

All Content, product names, trademarks, service marks and logos on the Services, unless otherwise noted, are wholly owned or validly licensed by Company. Trademarks, service marks and logos owned by third parties remain the property of such third parties.

Embedding Content

The Company may from time to time provide you with the capability to embed Content on other sites, including social media. To the extent the Company provides such capability, you are hereby granted a limited, non-exclusive, revocable right and license to use the HTML or other code made available by the Company to embed the applicable Content and to display such Content in the form provided by the Company, in each case, for your own personal and non-commercial use. You agree not to license, create derivative works from, transfer, assign, reproduce, sell or re-sell any information, Content, materials, data or services obtained from or delivered through the use of the embedding code. Unless otherwise set forth in a written agreement between you and the Company, you must adhere to the Company's embedding policy as follows: (a) the appearance, position and other aspects of the Content made available via the embedding code or its display may not be such as to damage or dilute the goodwill associated with the Company or its third-party licensors' names and trademarks; (b) the appearance, position and other aspects of the Content made available via the embedding code or its display may not create the false appearance that you or your organisation is sponsored by, endorsed by, affiliated with, or associated with the Company or its third-party licensors; (c) when selected by a user on your site, the Content made available via the embedding code must be displayed in the form and format provided by Company via the embedding code, and may not

be altered, abridged, expanded, or otherwise modified; and (d) the appearance, position and other aspects of the Content made available via the embedding code or its display may not in any way violate any other terms of this Agreement. The Company reserves the right to revoke its license grant to use the embedding code at any time, for any reason, without notice, and in its sole discretion.
